GENERAL CONDITIONS OF THE CONTRACT Consultancy Services

Article 1 Purpose

1. These General Conditions of the Contract (GCC) shall apply for the purchase of Consultancy Services.
2. The Law of the Republic of Albania 'On Public Procurement' provides that the provisions of the Civil Albanian Code shall apply to the contracts of public procurement. Some provisions of this Code are expressed in the GCC as well, in order to increase the level of transparency in the contractual conditions. However, quoting some provision in this part, does not deny in any way the application of the other provisions of the Civil Code for this contract.
3. Similarly, some provisions of the Law on Public Procurement are expressed again in the GCC, in order to increase transparency in the law which regulates public procurement. However, the quoting of some provisions in this part, does not deny the application of other provisions of the Law on Public Procurement, regarding the parties' rights, duties and obligations.
4. The GCC shall apply to the extent they do not leave behind the conditions or provisions, foreseen in other parts of the contract.

The conditions of the contract also include the Special conditions of the Contract (SCC). In case of conflict between GCC and SCC, SSC shall prevail on the GCC.

Article 2: Definitions

1. "Contract" means the written agreement between the Contracting authority and the Contractor, which comprises the Tender Documents, including GCC and SCC, all attachments and completed forms, which are referred in each document.
2. "Contract Price" means the price to be paid to the Contractor, in accordance with the contract for the complete and precise implementation of his contractual obligations.
3. "Object of Contract" means all the Related Services that the contractor shall provide, complying with the conditions of the contract.
4. "Party (-ies)" mean the signatories of the contract.

5. "Contracting Authority" means the Contracting Authority which is a party to this Contract, and which contracts the Services of this contract. This term shall have the same meaning with the one defined in the law.
6. "Contractor" means the natural or legal person, which is party in this contract and, in accordance with the provisions of this contract, is the one who supplies the Services.
7. "Services" means all the tasks to be fulfilled by the Contractor according to the contract.
8. "Terms of Reference" express the object and purpose of the contract; define the duties, requirements, objectives, distribution, location and delivery of services to be provided.

Article 3 Drafting of the Contract

1. The notification of the awarded tender shall serve for the preparation of the contract between the parties, which should be signed within the time limit, expressed in the Tender Documents.
2. The existence of the contract shall be confirmed with the signature of the contract document, embodying all the agreements between the parties.

Article 4: Corrupted Practices, Conflict of Interest and Inspection of Reports

1. The Contracting Authority can request the Court to declare as illegal the contract, if he discovers that the Contractor carried out corruptive acts. Corruptive acts include all acts described in Article 26 of the Law on Public Procurement.
2. The Contractor should not have relations (current or past ones) with any of the consultants or any other entity, which participated in the preparation of the Tender Documents for the named procurement.
3. The Contractor agrees to exclude himself from the procurement of services or construction that may ensue as a result of or in connection with, this contract.
4. The Contractor should allow the Contracting Authority to inspect the accounts and the registers, which are related to the implementation of the Contract, or to nominate people appointed by the Contracting Authority, as controllers to inspect them.

Article 5: Confidential Information

1. The Contractor and the Contracting Authority should keep as confidential all the documents, data and other information provided by the other party, in relation with the Contract.
2. The Contractor can give to a Sub-contractor such documents, data or other information taken by the Contracting Authority to the extent required by the Sub-contractor to carry out its part of the work, in accordance with the Contract. In these cases, the Contractor shall include in his contract with the Sub-contractor a provision, which deals with confidentiality, as mentioned above in Paragraph 5.1.

Article 6: Intellectual Property

1. Except when otherwise provided in the Contract, all the rights of intellectual property, provided by the Contractor during the implementation of the Contract, shall belong to the Contracting Authority, which may use them, as it deems appropriate.
2. Except when otherwise provided in the Contract, the Contractor, after the end of the Contract, should submit to the Contracting Authority all the reports and other data, such as maps, diagrams, specifications, plans, accounts, statistics and supporting registers or materials gathered or prepared by the Contractor during the implementation of the Contract. The Contractor can keep copies of these documents and data, but he should not use them for purposes, which are not related to the Contract, without a preliminary written permission of the Contracting Authority.
3. The Contractor should insure the Contracting Authority against the lack of responsibility for infringement of rights related to the intellectual property, which may arise from the production or distribution of Goods, in accordance with the Contract.
4. If there is any claim or suit against the Contracting Authority, regarding any infringement of the intellectual property, caused during the implementation of the Contract or during the use of Goods, supplied in accordance with the Contract, the Contractor should provide to the Contracting Authority all the evidence and the necessary information, which is related to the named indictment or claim.

Article 7 General Obligations of the Contractor

- 7.1 The Contractor shall perform services and fulfill its obligations with all efforts, efficient and economic techniques and in accordance with accepted professional practices in general.
- 7.2 The Contractor shall follow safe business practices and utilize advanced technology and convenient and safe methods.
- 7.3 If the contract requires the performance of professional advisory services, the Contractor shall always act as a faithful adviser of the Contracting Authority, in accordance with the rules and code of conduct of his profession and should always support and protect the public interest.

If the contract requires the performance of professional advisory services, the Contractor shall exercise full care in relationships with third parties including the media and should not take part in actions that are outside its competence in the representation of the Contracting Authority.

Article 8 Special Obligations of the Contractor

- 8.1 The Contractor shall perform all services as specified in the Terms of Reference.

- 8.2 The Contractor shall submit to the Contracting Authority, all services, in quantities determined, as required by the contract including, but not limited, all reports, documents, studies, drawings and plans.
- 8.3 The Contractor shall provide reports related to the implementation of the Services as required in the contract.

Article 9 Specification and Drawings

- 9.1 If the contract requires mapping services, the Contractor shall draw all the specifications and drawings of systems using accepted and generally recognized acceptable to the Contracting Authorities and take into account the latest standards.
- 9.2 If the contract requires mapping services, the Contractor shall ensure that all specifications, drawings and other requirements have been prepared under neutral in terms of promotion of competition in the procurement of drawing objects.

Article 10 Permits and Licenses

1. The Contractor shall be responsible for securing permits or licenses as required by the laws of the Republic of Albania for the delivery of services in this contract already the case when the parties agree otherwise.

Article 11 Replacement of the key personnel

1. The Contractor shall provide prior written approval by the Contracting Authority before the removal or replacement of key personnel as described in Contractor's bid.
2. The Contractor shall replace any employee if the contracting authority finds that a person has committed illegal acts or contracting authority is quite satisfied with the work of the person.
3. If it becomes necessary to replace any key personnel, the Contractor shall provide as a replacement a person with equivalent qualifications or better.
4. The Contractor shall pay the additional cost for replacement of main personnel unless the substitution has been the cause of the negligence or lack of care to the Contracting Authority.

Article 12 Location

- 12.1 Services must be performed at the place or places specified in the contract.
- 12.2 If the country is not specified, the Contracting Authority reserves the right to approve the place or places of service delivery, however, approval should not be delayed unreasonably.

Article 13 Insurance of Professional Responsibility

- 13.1 The Contractor shall maintain professional liability insurance for under the rules and practices generally recognized in the profession to reimburse the Contracting Authority for damages resulting from negligence, errors or omissions in the performance of the Services.

13.2 When not defined in the minimum amount of insurance contract, the Contractor shall provide insurance in an amount generally recognized as sufficient under the circumstances of the services being provided.

Article 14 Contract Price

1. The contract price shall be the price submitted with the Contractor's tender and accepted by the Contracting Authority.

Article 15 Payment terms

1. The contract price, including any advance payment, should be paid on time, as specified in the Contract.
2. Except when otherwise provided in another provision of the Contract, the payment shall be effectuated with Albanian currency. The exchange rate for different currencies shall be the rate of the Bank of Albania of the day the contract notice was sent, as established in the contract.
3. Except when otherwise provided in another provision of the Contract, the Contractor's request for payment shall be addressed in writing to the Contracting Authority. For any request the Contractor shall submit the original and the copy, accompanied by a list of items describing the services rendered, for which payment should be made.
4. Except when otherwise provided in another provision of the Contract, the payment for the Services shall be effectuated within 30 calendar days, from the day the Services have been accepted, or the day of request receipt, whichever comes later.
5. The date of payment shall be the date when funds are transferred from the bank account of the Contracting Authority.

Article 16 Delays in Payment

- 16.1 The compensation of damages, which were caused by delays in payment, consist in the usury gathered from the date of the beginning of delay (by the Contracting Authority) in the official currency of the country where the payment shall be effectuated. Law shall establish the percentage of the interest. At the end of each year, the interest shall be added to the total amount, on which they are calculated.
- 16.2 The legal interest is paid without forcing the creditor (the Contractor) to prove any damage. If the creditor (the Contractor) proves that he has undergone a higher damage than the legal interest, the debtor (Contracting Authority) should pay the remaining value of the damage.

Article 17 Amendment of the Law and Rules

1. If, after the date of contract signing, any law, regulation, directive or procedure, with the effect of the law in the Republic of Albania comes into force, is issued or amends and affects the conditions, including the date of delivery, or the contract price, the terms and conditions

and the price of the Contract shall be regulated at the extent the Contractor has been affected in meeting his obligations, in accordance with the Contract.

Article 18 Force Major

1. The Contractor should not be held responsible for the loss of the Contract Security, for liquidated damages or cancellation for non-fulfillment, if, and to the extent the delay or any other failure in carrying out his obligations in accordance with the contract, is the result of a force major.
1. For the purposes of this article, "Force Major" means an unforeseen happening or event outside the control of the Contractor regarding fault or negligence. These events can include, but are not limited to the actions of the Contracting Authority, in its sovereign or contractual capacities, war or revolutions, fire, flood, earthquake, epidemics, quarantine pressure and transit embargo.
2. If a situation of a force major occurs, the Contractor should immediately notify the Contracting Authority. Except when the Contracting Authority gives different directives, the Contractor should continue implementing all its obligations, in accordance with the Contract, at a reasonable extent, and should require all reasonable means for this implementation, which are not obstructed by any Force Major.

Article 19 Delays in Implementation and Extension of Time Limits

1. Except when otherwise provided, the Contractor should start to implement the Contract, immediately following its signing.
2. Except when the Contracting Authority agrees for an extension of the Contract time limits, the Contracting Authority has the right to liquidate the damages for the delay in implementation, if the Contractor fails to deliver the Services within the complete execution period, as specified in the Contract.
3. The Contracting Authority may deduct the value of liquidated damages from the amount to be paid to the Contractor. In this case, the Contracting Authority should give to the Contractor a written notification on the value and reason of such deduction.
4. The Contracting Authority should agree on an extension of the time limits, in cases of force major.
5. The Contracting Authority can agree on an extension of the time limits, even in other circumstances, if it is in the public interest. If the Contractor encounters conditions, which obstruct the implementation in time, the Contractor shall promptly notify in writing the Contracting Authority regarding the delay, the causes and the date proposed for the delivery or the conclusion. The Contracting Authority should evaluate the request. If the Contracting Authority agrees with the delay, the extension shall entry into force with a written amendment of the Contract, signed by the Contracting Authority and the Contractor.

Article 20 Liquidated Damages for Delayed Submission

1. Liquidated damages for delayed Services delivery shall be calculated with the following daily fees:
 - a) For contracts with an implementation period, not more than 6 months, the daily fee shall be 4/1000 of the corresponding remaining value, from the total price of the Contract, but not less than 25% of the contract value.
 - b) For contracts with an implementation period, not more than 12 months, the daily fee shall be 2/1000 of the corresponding remaining value, from the total price of the Contract, but not less than 25% of the contract value.
 - c) For contracts with an implementation period more than 12 months, the daily fee shall be 1/1000 of the corresponding remaining value, from the total price of the Contract, but not less than 25% of the contract value.

Article 21 Negotiations and Amendments

1. The parties shall not negotiate for modifications or amendments in any of the elements of the Contract, which would considerably change the conditions constituting the basis for the selection of the Contractor.
2. No amendment or any other contract variation shall be valid without being in written form, dated and referring expressly to the Contract, or if it is not signed by an authorized representative of the Contractor and of the Contracting Authority.
1. Any waiving from rights, powers or corrections of the parties, in accordance with the Contract, shall be done in writing, shall have a date and should be signed by an authorized representative of the party, which withdraws from such right, and should specify the right and the extent of it.

Article 22 Modification of Order

1. The Contracting Authority reserves the right to order additional services up to an amount which does not exceed 20% of the total price of the contract. Each additional order shall be made consistently and in accordance with the rules and procedures anticipated in the Law for Public Procurement.

Article 23 Suspension due to Default

- 23.1 The Contracting Authority may cancel the Contract, completely or partly, if:
 - a) The Contractor fails to complete the delivery of Services within the specified time limit in the Contract, or within the granted extension; or,
 - b) The Contractor fails to fulfill any other obligation of the Contract.

Article 24 Cancellation due to Bankruptcy

1. The Contracting Authority may cancel the Contract at any time, if the Contractor is bankrupt or becomes unable to pay.

1. The Contracting Authority should give to the Contractor a written notification regarding the cancellation.

Article 25 Cancellation in the public interest

1. The Contracting Authority may cancel the Contract at any time, if it deems that this decision shall be taken, in order to better serve the public interest.
2. The Contracting Authority should give a written notification to the Contractor, regarding this cancellation.
3. The Contracting Authority should pay the Contractor for all performed Services, which were delivered prior to cancellation and should pay the Contractor for the damages caused by the partial delivery of Services. While calculating the value of damages, the Contractor shall be required to undertake all necessary actions, in order to minimize the damages.

Article 26 Sub-Contracting

1. Sub-contracting shall be valid only if it exists in the form of a written agreement, through which the Contractor accredits a part of the contract's obligations to a third party.
2. The Contractor shall not sub-contract without a prior written approval of the Contracting Authority and not more than 40% of the contract value. The Contractor should notify the Contracting Authority regarding the Contract elements, which have been sub-contracted and regarding the documentation that proves the capability of the Sub-contractor. Within 5 days from the receipt of notification, the Contracting Authority should notify the Contractor about his decision, expressing the reasons whether he approves it or not.
3. Every Sub-contractor should have the right to participate in public procurement, in accordance with the Law on Public Procurement. The Contracting Authority may foresee direct payments for the sub-contractor in return of Services that he shall supply.
4. When the Contractor intends to perform a part of work with subcontractors, must submit the bid, the tender documents, all documentation required for subcontractors as well as concrete work that will give the subcontracting.
5. The Contractor remains fully responsible for the contract implementation, regardless the sub-contractor's performance.

Article 27 Transfer of Rights

1. The Contractor should not completely or partly, transfer his obligations according to the Contract, except when preliminary approval of the Contracting Authority is taken.

Article 28 Contract Insurance

Within 30 days from the receipt of the notification for the contract award, the Contractor should give to the Contracting Authority the guarantee of a Contract Insurance at the

acceptable amount and form, as specified in the Contract. Failure in providing a Contract Insurance in the required form and amount, within 30 days, shall result in the cancellation of the Contract and in the forfeit of the Contractor's Tender Insurance.

2. The amount of the Contract Insurance shall be paid to the Contracting Authority as a compensation for any loss, resulting from failure of the Contractor in meeting his obligations, in accordance with the Contract.
3. The contract insurance will be paid back to the Contractor not later than 30 days after the date of implementation of Services.

Article 29 Legal framework

1. The Contract shall be governed and interpreted following the Laws of the Republic of Albania.

Article 30 Settlement of Disputes

- 30.1 The Contractual Authority and the Contractor must make any possible effort to settle disagreements or conflicts between them or regarding this agreement through direct negotiations.
- 30.2 If the parties fail to settle the disagreement or conflict, the problems will be considered through the dissolution of agreements according to the contract and the law procedures in force in virtue of the legislation of the Republic of Albania.

Article 31 Representation of Parties

- 31.1 Each party must nominate by a written document a person or organizational position, which will be responsible, on behalf of the party, for the receipt of communications and the representation of the party during the contract's execution.
- 31.2 Each party must immediately inform the other party on any modification in the nomination of party's representative. If one of the parties fails to inform the other, it must assume any losses caused as result of the failure to give sufficient notice.
- 31.3 The parties may nominate additional organizational units or persons to represent the party in specific actions or activities. In this case, the written notice must specify the extent of representative's authority.

Article 32 Notices

- 32.1 Any notice given by one of the parties to the other party according to the contract must be written in a document in the address specified in the contract.
- 32.2 The notice will come into effect immediately upon handing over.
